

Evaluation

1. Briefly describe your Work and Witness experience.
2. Did the Project meet your expectations? Explain.
3. Were the sleeping arrangements satisfactory?
4. How did this Project impact your life?
5. Would you choose to come to the Chicago Central District again?
6. If there is anything you would change to make your experience a better one, what would it be?

We at the Chicago Central District want to thank you for your caring, concerned hearts. The impact you have made cannot be measured here on Earth. Lives are changed when we forget ourselves for others and give the glory to God. He said that when we give from our hearts, we would reap a blessing that we cannot contain. We serve and awesome God!
